Mercy Rule: If a team is winning by 7, the losing team will add an extra player (or have the opposing team sit out an extra player if they don't have any extras), until the losing team gets within 3 goals of the winning team. If a Team is down to 2 or less Sub.'s, the Game Coach can change the players on the field to allow for more subbing. The referee should be made aware of this as well.

Teams without enough Players for a Game Rule: The opposing Team will share/divide Players evenly, so that the Game will be fairly Played.

Hot Weather Rule: In hot weather, small built in breaks can be allowed by subbing more frequently than quarters. The Referee will be aware of this, & allow Players to be substituted, when the ball is out of Play.
